

Justin T. Barnes

*Vice President of Marketing, Corporate Development and Government Affairs
Greenway Medical Technologies, Inc.*

As a healthcare software executive and public policy expert, Justin Barnes is a Vice President with Greenway Medical Technologies and manages Greenway's Strategy, Marketing, Corporate Development and Government Affairs departments. In addition, Mr. Barnes is Chairman of the HIMSS Electronic Health Record (EHR) Association where he is responsible for executing the EHR Association's industry strategy and leadership. Barnes resides on several Public Policy, EHR and Health IT industry governance boards and brings the essential continuum of corporate experience from Silicon Valley Start-up's to Industry-leading Fortune 20 conglomerates.

Prior to Greenway, Barnes was a member of the founding team and Vice President at Healinx Corporation. Today, Healinx is known as the RelayHealth Division of McKesson.

Before joining Healinx, Barnes held several National Operations positions with HBO & Company that subsequently merged with McKesson in 1999. He served under the Enterprise Group and was responsible for sales operations of the Pathways Smart Medical Record (SMR) application.

Barnes has formally addressed and/ or testified before Congress as well as both Presidential Administrations on twelve occasions between 2005 and 2010 with statements relating to EHR meaningful use, EHR certification, healthcare privacy, security, confidentiality, compliance, standards, interoperability, health IT adoption incentives, health IT return on investment (ROI) and the globalization of healthcare. Barnes is a regular public speaker on these issues and has been published in more than 250 journals, magazines and broadcast media outlets relating to national leadership of health IT and EHR adoption efforts. In addition, Barnes has advised several U.S. Presidential campaigns on healthcare public policy, HIPAA, health IT and EHRs.

Barnes majored in Legal Studies and holds a BA & BS from the University of Massachusetts at Amherst. Barnes also served in the U.S. Army in Infantry and Communication Units.
